

## 6 Underground

Sneaker Pimps

Take me down, 6 underground,  
The ground beneath your feet,  
Laid out low, nothing to go  
Nowhere a way to meet  
I've got a head full of drought,  
Down here, so faroff losing out  
Round here,

Overground, watch this space,  
I'm open to falling from grace

Calm me down, bring it round  
Too way high off your street  
I can see like nothing else  
In me you're better than I wannabe  
Don't think 'cos I understand,  
I care, don't think 'cos I'm talking we're friends,

Overground, watch this space,  
I'm open to falling from grace

Talk me down, safe and sound  
Too strung up to sleep  
Wear me out, scream and shout  
Swear my time's never cheap  
I fake my life like I've lived  
Too much, I take whatever you're given  
Not enough,

Overground, watch this space,  
I'm open

I fake my life like I've lived  
Too much, I take whatever you're given  
Not enough,

Overground, watch this space,  
I'm open to falling from grace
