

Ma Fille Concrete

Sneaker Pimps

How can you stand so easy?
Without comprehension.
I'm not your silhouette.

How can you breathe so freely?
Plastic intentions.
I'm not your silhouette

Tu est ma fille concrete.
I'm not your silhouette.

Tu est ma fille concrete.
I'm not your silhouette.

I'm not your silhouette.

What makes you think you're shining?
Shining so brightly.
I'm not your silhouette.

So sell yourself to fashion.
Just keep on dancing.
I'm not your silhouette.

Tu est ma fille concrete
I'm not your silhouette.

Tu est ma fille concrete
I'm not your silhouette.

I'm not your silhouette.
I'm not your silhouette.
I'm not your silhouette.
I'm not your silhouette.
I'm not your silhouette.
I'm not your silhouette.
I'm not your silhouette.
Tu est ma fille concrete
I'm not your silhouette.
I'm not your silhouette.
I'm not your silhouette.
