

Roll On

Sneaker Pimps

Roll on, these doors are open
Roll off, you can come next time,
I'm in love with your confusion, on your knees
When you're breathing through your elbows,
Down on me, down on me

Roll on roll off,
Roll on roll off,
Don't take that wrong
Don't take that wrong

Roll up, these doors are open,
Load up, come next time
Don't try to hurry me along,
Just walk ahead a little gone

Roll on roll off,
Roll on roll off,
Don't take that wrong
Don't take that wrong

Roll on, going down on me,
Roll off, make it easy on me,
You can't think you're someone special,
On your knees,
We're throwing punches underwater,
Sink with me, sink with me, sink

Roll on roll off,
Roll on roll off,
Something is sinking x5
