## **Roll On**

**Sneaker Pimps** 

Roll on, these doors are open Roll off, you can come next time, I'm in love with your confusion, on your knees When you're breathing through your elbows, Down on me, down on me

Roll on roll off, Roll on roll off, Don't take that wrong Don't take that wrong

Roll up, these doors are open, Load up, come next time Don't try to hurry me along, Just walk ahead a little gone

Roll on roll off, Roll on roll off, Don't take that wrong Don't take that wrong

Roll on, going down on me, Roll off, make it easy on me, You can't think you're someone special, On your knees, We're throwing punches underwater, Sink with me, sink with me, sink

Roll on roll off, Roll on roll off, Something is sinking x5
