

Spin Spin Sugar

Sneaker Pimps

i'm everyone
i feel used
i'm everyone
i need you
i'm everyone
hang your label on me
i'm everyone
paint it black and white and easy
i want perfection
i'm real need
i've seen attention
see through me
i'm everyone
sticks in me
i'm everyone
sticks with me

call on me, spin spin sugar
crawl on me, spin spin sugar
stinks on me, spin spin sugar
twist for me, spin spin sugar

i've seen attention
see through me
i want perfection
im real need
i'm everyone
sticks in me
i'm everyone
sticks with me

call on me, spin spin sugar
crawl on me, spin spin sugar
stinks on me, spin spin sugar
twist for me, spin spin sugar
