Hip Hip Hooray

Sneaky Sound System

Yeah can you hear that?
I feel a little horny, mmm,
Ah, I feel a little edgy
I think I need some lovin'

Uncomplicated lovin', Is what I'm lookin' for,
Do you think you can take me on,
'Cause I know you can turn me on.
You got it in you baby,
Huh well if you have then I'm all yours
And just wait for the late night booty calls
Come outside I want you and your friend,
I wanna to give it to you now c'mon man
Huh, I'll even do a handstand
I got an open mind, I got plenty of time,
I want you right now I mean right now!
And I want you to make a me scream

Hip Hip, Hip Hip Hooray
