I'm a man I gotta take care of my family
Fighting these precious in my life
I know my mind should be on shining and getting Grammies
But these streets won't say a goodbye

I can't say goodbye To the blocks Goodbye To the hood Goodbye To the streets (to my problems) I can't say goodbye To the hood Goodbye To the blocks Goodbye To the streets I can't say goodbye goodbye To the blocks Goodbye To the streets Goodbye To the hood I can't say goodbye To the hood Goodbye To the blocks Goodbye To the homies

I guess it's true, you can't take the hood out a homeboy
Plus, my hood just lost another homeboy
Another one got life, and we don't know, if he coming home boy
They in the street tell me "just leave it alone boy,
Let them do them take care of your own boy"
But I said back brake a bound, before I was drome boy
You had dreams of being a dope boy
Yeah, I was runnin' from the po po
Banging for the truth, late night huntin'
Puttin' me in work, good day comin', airbrush, shirt,
Pay day, get the spot, got my hair cut first
Made mom sick when I wouldn't go to church
Yeah I live in the burbs, but I think 21st
I know since I left that it's gotten much worse
But I'd still be there, if I couldn't write a verse

I'm a man I gotta take care of my family
Fighting these precious in my life
I know my mind should be on shining and getting Grammies
But these streets won't say a goodbye

To the the blocks that raise me, the enemies and the homies that made Me, tough enough to hang on the corners that would moul me Critics wonder if I'm tryna be the old me,
But if the thing the old me ever left, then they don't really know me,
And don't know, we don't change, we just become OG, you always addicted To the life, you just don't OD, I owe the streets before they owe me

Took me in when my momma didn't want me, to wild to be a child, and cops Not around now, all I got now is the homies, to teach me, how to be a man In what not, how to brake ounces in the grams

The reason I'm so nice with my hands shit, you think I forgot, man

I'm a man I gotta take care of my family
Fighting these precious in my life
I know my mind should be on shining and getting Grammies
But these streets won't say a goodbye

Thank good every day that the boy could spit And all around the world they enjoyin' my shit I know I got plenty more awards to get I got a, beautiful wife and some gorgeous kids But it wouldn't be right if I ignore the shit They made me how I am, the music in the man Told me that I can for the world gave a damn If it wasn't for my shit, they sayin' stick to the plan Probably be a gun instead of a pen in my hand Probably be doin' a dub and the pin with my man The say leaders streets but they don't really understand All I had was the block, when I didn't have fans Wrapped on the corners when I couldn't get spins All I had was the homies when I didn't have kids If it all come down and my carrier was to end, I'm sure my name Would live.. in the streets

I'm a man I gotta take care of my family
Fighting these precious in my life
I know my mind should be on shining and getting Grammies
But these streets won't say a goodbye

I just can't say goodbye

I can't say goodbye
Goodbye
I can't say goodbye
Goodbye
Goodbye
I can't say goodbye
Goodbye
Goodbye
Goodbye
Goodbye
I can't say goodbye
Goodbye
Goodbye
Goodbye
Goodbye
Goodbye
Goodbye

You can take the man out the streets, But you can't take the streets out the man
