

I Wanna Thank Me

Snoop Dogg

Last but not least, I wanna thank me
I wanna thank me for believin' in me
I wanna thank me for doing all this hard work
I wanna thank me for having no days off
I wanna thank me for, for never quittin'
I wanna thank me for always bein' a giver
And tryna give more than I receive
I wanna thank me for tryna do more right than wrong
I wanna thank me for just bein' me at all times
Snoop Dogg, you a bad motherfucker
Eagle side, homie coming up
I was young and I didn't give a fuck
Long Beach nigga, a fiend for the bucks
Lean in my chucks, banger, I don't tuck
Yeah, long time coming, had to earn my G
Gold diggin' hoes had to learn my fee
I beat a couple cases, I'm H-O-T
I'm Snoop Dogg to the world, gotta thank ol' me
We celebrating, you hatin' on a real one
All the L's that I took, man I still won
Big bank rolls coming at you
West Coast king, man, I need a statue
Yeah, I said it, who did it like me?
Who want the dice? Nigga bet it
Twenty-plus years, I ain't even gotta sell it
I ain't even got to show up to get the money
Mail it, I'm going in
Oh (can you hear me?)
I paid my dues and earned my stripes
No matter what ya say it's all me
(Can you hear me?)
Oh, oh no
(Bring that beat back, bring that B-Cat)
Who did it like the King, go tell
Sent a bunch of kids to the NFL
Did it from the dirt, nigga can't you tell?
Don't I ride by in that SSL?
Snoopy had to get it on, ball, beat ten of y'all
I'm just tryna show 'em how them men evolve
Couple mil' later then they into y'all
Still screaming, rolling through my Hollywood stid-all, yeesh
Back up off me, sip your coffee, it's the Dogg show
Smoking weed on TV like a Marlboro
Standing there flexin', hoes see the drip
This crip, no question
Who bigger than me? Shit, yeah, I said it
Who did it like me?
Who want the dice? Nigga bet it
Twenty-plus years, I ain't even gotta sell it
I ain't even got to show up to get the money
Mail it, I'm going in
Battlecat, what you gon' do?
Hoes recognize, niggas do to
Long Beach, East Side mad ass lunatics
Still own niggas who talk bitch shit
Down for whatever, whoever wanna see me now
Slap a bitch nigga out to get a grip

Take a whole lot to be Snoop D-O-dub
You gotta put it down and always stay G'd up
Who did it like a muhfuckin' legend?
Yeah it hurts, church, reverend
Sat back took a look at me, shit's classic
Pocket full of paper, the haters, they can't grasp it
Still at the top of my game, I'm all-pro
Lost count of the cars, nigga they all show (wee!)
I got a family to feed, now that's growth
But I still lay your ass out for the low (ah)
Now, roam in, make it hard to trip
I'm talking big dick shit, man it's hard to grip
Got a whole gang of albums and some major flicks
I got a wife, rich life, that's some major shit
Bigg Dogg, yeah, I said it
Who did it like me?
Who want the dice? Nigga bet it
Twenty-plus years and I ain't even gotta sell it
I ain't even got to show up to get the money
Mail it, I'm going in
