Everything you see I own, I don't gotta lease  
If your bitch outta control better put that hoe on a leash  
Umm (it could be easy) if you listen to what I'm tryin to tell ya  
Every dime pays but they catch you messin with that high grade  
they gon' try and fail ya - call up moms, tell her

It could be easy  
But the smallest little things we make so hard  
Make so hard, make so hard  
Yeah just like a free throw, life it be so easy

It's real hard, but you can make it easy

And once I get up in it, I'll make you need me  
(It could be easy) Like I love weed leaf  
Baby starvin, now she feed me, believe me, you complete me  
Protect the spot, and when I'm in school  
Lay low, be cool, connect the dots, I do it vagrantly  
Truant agencies on my wingtips

With a E.T. high, so, I'ma phone home  
Baby on some knick-knack, paddy-whack, give her Doggy bone  
We +Home Alone+, now she's suckin on my bone  
Macaulay, Phifer, NASCAR driver  
Rollin with a real Eastsider

But the smallest little things we make so hard  
Make so hard, make so hard  
Yeah just like a free throw, life it be so easy  
It could be easy  
Well then tell me would you really be who you are?  
Who you are, who you are  
And it's been done before, I think you should know, know, know

It could be easy, it could be easy  
It could be easy...
