

Let It Out

Snoop Dogg

Well it's the super duper Snoopa once again I'm on the fly
Swoopin through I'm in my coupe and all the bitches want a ride
If it's trippin like I'm clippin I'm still grippin on my nine
We be Crip'n while I'm dippin with my C's up in the sky
And the East is still my side, I'm a reaper when I ride
Fuck a feature, I don't need a motherfucker, I'm the guy
I delete 'em, stampede 'em, straight eat 'em like some fries
Get a ketchup, get 'em messed up, turn the heat up let 'em fry
Ain't no different when I'm rippin, pimpin's still up in his prime
TV shows, movie hoes, pimpin's still up on his grind
Man these hoes don't know, I'm workin with a nine
I ain't talkin 'bout a gun, I'm talkin feel it in your spine
when I hit it from behind, if I go up in your mouth
I might hit you in the mind, you know what I'm talkin 'bout
It'll thrill ya, I'm the stealer that'll kill ya with the rhythm of a
trigger
Motherfucker better duck before I hit her, bang!

Dogg-y Dogg, is all, you need
So love, the Dogg, like we, love weed
(Breathe in) Breathe in (breathe out) let it out
