He got suspended now he all alone in his room
Playing my CD la da dee da dee

On the the young homie wanna be me
So I'm a let him I hope the homeboys don't get him
Cause they gonna sweat him
Gotta stay on deck for that
If you a buster you gonna get checked for that
It's so real homie don't pop that pill
Dip that now tell me how does that feel
Can't stop gotta go hard in the paint
Can't fake nigga put paint where it ain't
Monkey see monkey do what I say I do
If I take one you take two

Baby girl wanna be grown
She got a Facebook page and a cell phone
Her daddy getting money her momma on the go
She moving too fast but she really don't know
Life is a trip lil mama don't drink that
They telling you it's cool baby don't take that
Cause if you do ain't no telling
You's a good girl why you fighting and rebelling
If you keep that up you gonna end up spread
Misled better yet sick in the head
So stop trying to be like them and be yourself
Stop look and see yourself
It's so real gotta stay hard in the paint
You can't fake baby put paint where it ain't
Monkey see monkey do what I say I do
