Snoop Dogg

(I was raised in the hood)
Eastside Long Beach to be exact

Where the grass is greener and the crips are much meaner

But you can't take the hood up outta me

Raised by the gangstas, the generals, the thieves, the twins

I do it everytime, told em 1800 had em mixing it with lime (oh weee)
My life is like a movie, I was thuggin in the beach when I lit my first doobie
In the same city where I got my first piece of coochie
Where I sold my first dime, and I held my first uzi
Bitch, choose me, cause I'm going to the top
Rap or the rock, them hoes say I'm on bitch
Whenever will it stop
I was poppin' like it's on, slamming Chevy's up the block
East up, what it do though
Now I ride 2-door, the Porsche looking mean
Hella far from broke, the 40 won't choke plus a niggas still elope
Only cause I was raised in the hood

Looking cool, you know it bitchy I'm rollin'
And I aint worried bout them niggas we patrolling the hood and the city
Rollin on that dilly
2 milly, 2 Bugatti's, call em Rozay and Diddy
Heart of the set, Homie I'm a vet
Lil nigga, keep ya clothes, ask around,

Hoes spillin' Nuvo, Doggy on his tip
