

Superman

Snoop Dogg

Too many pain pills too much pot
Trying to be something that I'm not
Superman
Superman
Trying to do more than I can got a little outta hand
I ain't Superman

Know what I'm talking about

I blew my throat and I blew my tour
I wound up sipping on soup d' jour
I wasn't Superman
Oh no I wasn't Superman
I'm trying to do more than I can I got a little outta hand
I wasn't Superman

Well the doctor said son it's a crying shame
But you ain't Clark Kent and I ain't Lois Lane
You ain't Superman
You ain't Superman
Trying to do more than you can got a little outta hand
You ain't Superman

Well when I die put it on my stone
God said Snoop you take your bad ass home
You wasn't Superman
No I wasn't Superman
I'm trying to do more than I can I got a little outta hand
I wasn't Superman

I'm trying to do more than I can I got a little outta hand
I wasn't Superman
