If not I guess it's over

Bada-bing, bada-boom, what a dogg gotta do? Let me holler at you boo, damn I miss you I just wanna kiss you, and all that good stuff Was I really all that bad or was I good enough? I'm under pressure, I can't run plays like this My mama always said that there'll be days like this I'm all alone by the phone, in a zone, face is stone Wonderin', if you ever comin' home I try to run the streets and play But that feeling just won't go away My whole life I'd throw away, to get you back on my team Damn, why'd you have to go away? I miss your breakfast in the mornin' Miss you in the evenin', tell me why you're leavin' Please give me a reason, nothin' could ever change me I'm missin' my baby, think I'm goin' crazy (Why did you leave me?) You can't leave me by myself like this You can't leave me by myself like this (Why did you leave me?) You can't leave me by myself like this Mama told me there'll be days like this I get up early in the mornin', miss your rudeness and kissin' I also miss that smell of that good breakfast in the kitchen Listen, I'm a star but I'm wishin' To follow you wherever you are You the wheels to my car, and I can't roll without you My heart is a ice box, it's cold without you Why'd you have to, leave me this way? I'm doin' bad, you don't wanna see me this way I'm at the pad, tryin' to do my best I'm so stressed, and yes I'm still the King of the West Tryin' to manage, and I'm gon' handle it I need you back in my life, 'cause I'm tired of livin' scandalous I miss your breakfast in the mornin' Miss you in the evenin', tell me why you're leavin' Please give me a reason, nothin' could ever change me I'm missin' my baby, think I'm goin' crazy (Why did you leave me?) You can't leave me by myself like this You can't leave me by myself like this (Why did you leave me?) You can't leave me by myself like this Mama told me there'll be days like this Oh my Lord, I'm sittin' at the board with my head down I can't write my next line, I need to lay it down Hmm, I'm stuck like a dump truck Lookin' stupid, cupid down on my luck I touch a four leaf clover Hopin' for somethin' good, like I should

Baby be real with it Do you love me, do you miss me? I can't deal with it

I miss your breakfast in the mornin'
Miss you in the evenin', tell me why you're leavin'
Please give me a reason, nothin' could ever change me
I'm missin' my baby, think I'm goin' crazy

You can't leave me by myself like this
You can't leave me by myself like this
(Why did you leave me?)
You can't leave me by myself like this
Mama told me there'll be days like this
