

## Absolute Gravity

Snow Patrol

Her gravity make me feel light-headed  
Small-talk turns to dust in my mouth  
She doesn't know that I'm already  
Thinking bout how I'm gonna make her look my way  
But she smiles at herself in mirrors  
A little too often these days  
Maybe I'm unbalanced  
The way she walks, my God she'd get it  
All my friends reckon she is oh so fine  
But the way I talk when I'm speaking near her  
She must think I crawled out of the sea today
