

## Ask Me How I Am

Snow Patrol

Has nobody asked you how you are?  
You look like you might not last the day  
I wouldn't have made it very far  
So we'd make a good team right away  
I've not made amends for yesterday  
My lip won't get me out of it  
Waking up dreading hearing tales  
Of all my nightmares being true  
I take a breath and grab the phone  
Secretly hoping you're not home  
I'd leave a message - I was out  
Out of my mind on drink and drugs
