

# Called Out In The Dark

Snow Patrol

It's like we just can't help ourselves

Cause we don't know how to back down

We were called out to the streets  
We were called out into the towns  
How the heaven's they opened up  
Black arms of dazzling gold  
With our rain washed histories  
When we're do not need? to be told  
Show me now  
Show me the arms aloft  
Every eye trained on a different star  
This my chick, this drunken centerfold

We are listening and? we're not blind  
This is your life, this is your time  
We are listening and we're not blind  
This is your life, this is your time

I was called out in the dark  
By a choir of beautiful sheets  
Now it's the kids took back the parks  
You and I were left with the streets  
Show me now  
Show me the arms aloft  
Every eye trained on a different star  
This my chick, this drunken centerfold

We are listening and we're not blind  
This is your life,? this is your time  
We are listening and we're not blind  
This is your life, this is your time
