1. This can be the very minute I`m aware I`m alive.
All this places feel like home.
 2. With a name I never chosen I can make my first steps.
As a child of twentyfive.
- R: This is the straw, final straw in the roof
of my mouth as I lie to you.
Just because I`m sorry doesn`t mean
I didn`t enjoy it at the time.
3. You are the nly thing that I love, it scares me more every d
ay.
On my knees I think clerer.
 4. Goodness knows I saw it coming or at least I`ll claim I did.
But in truth I`m lost for words.
- R: What have I done, it`s too late for that.
What have become truth is nothing yet.
A simple mistake starts the hardest time.
I promise I`ll do anything you ask this time.
