

Fifteen Minutes Old

Snow Patrol

I'm good for inspiration, aren't I?
You will find
Well, close the door and I'll go anywhere
You take me to from this bed onto so much more
Care for you, I will
Can I have a picture of you tonight
Keep it with me always in my mind
Tough me cause I can't move
I can barely breathe,
speechless, breathless
I can't tell you if I'm here or not
Running both legs tied together
Arms in the air
Care for you, I will
Can I have a picture of you tonight
Keep it with me always in my mind
