Snow Patrol

i am an astronaut  
i am an astronaut  
daddy is away and mum's asleep  
and i am an astronaut

i am a polar bear  
i am a polar bear  
i'm anything i want to be  
when nobody else is there

like a gorilla, he's a real killer yeah  
he's a real gunman  
yeah that's what i am

i am an astronaut  
i am an astronaut  
daddy is away and mum's asleep  
and i am an astronaut

i'm up among the stars  
i'm up among the stars  
i'm in a super time machine  
and i'm on my way to mars

like a gorilla, he's a real killer yeah  
he's a real gunman  
yeah that's what i am

like a gorilla, he's a real killer yeah  
he's a real gunman  
yeah that's what i am

i am an astronaut  
i am an astronaut  
daddy is away and mum's asleep  
and i am an astronaut
