Snow Patrol

I could stay away forever if I tried  
I could stay away forever if I tried  
I could stay away forever if I tried  
I could stay away forever if I tried,  
if I tried

I could stay away forever if I tried  
I could stay away forever if I tried  
I could stay away forever if I tried  
I could stay away forever if I tried,  
if I tried, if I tried, if I tried

I could stay away forever if I tried  
I could stay away forever if I tried  
I could stay away forever if I tried  
I could stay away forever if I tried,  
if I tried, if I tried, if I tried

I could stay away forever if I tried  
I could stay away forever if I tried  
I could stay away forever if I tried  
I could stay away forever if I
