## Snow Patrol

I hold back for a second or two  
Then I go down on you  
It's so sore  
Sore like the Sweetest Thing  
When I Go Down On You  
And all I have is so sweet, so sweet

How could I have know that you wanted me  
You were just too beautiful  
Now it seems  
That ill never get a second chance  
Like what I hold is a Curse  
And all I have is so sweet, so sweet
