

# You're All I Have

Snow Patrol

1. Train this chaos turn it into light  
I've got to see you one last night  
Before the lions take their share  
Leave us in pieces, scattered everywhere

mezihra:

Just give me a chance to hold on  
Give me a chance to hold on  
Give me a chance to hold on  
Just give me something to hold on to

R: It's so clear now that you are all that I have  
I have no fear cos you are all that I have  
It's so clear now that you are all that I have  
I have no fear cos you are all that I have

2. You're cinematic razor sharp  
A welcome arrow through the heart  
Under your skin feels like home  
Electric shocks on aching bones

mezihra:

R:

3. There is a darkness deep in you  
A frightening magic I cling to
