

Hey Girl

Snow Tha Product

Umm what?

They said hey girl do your thang do your thang do your thang
hey girl do your thang do your thang do your thang.
Now bring it back like that bring it back like that bring it ba
ck like that bring it back like that and bring it back like tha
t bring it back like that bring it back like that bring it back
like that

He said hey girl do your thing and bring it right back like a b
oomerang
he's like hey girl what's your name then he tried to holla trie
d to get some game
I told him my names Snow he said you dope [?]
Can I get your name to put in my I Phone and I'm like 1-800-65
NO I'm like single like [?] can you hear that but on the floor
I'll break it off like a Kit Kat
I'm the kind of chick everybody try to get at is that chick tha
t chick can spit [?]

They said hey girl do your thang do your thang do your thang
hey girl do your thang do your thang do your thang.
Now bring it back like that bring it back like that bring it ba
ck like that bring it back like that and bring it back like tha
t bring it back like that bring it back like that bring it back
like that

He said hey girl don't you stop bring it right back let me see
that drop
hey girl you too hot let me get a number let me see what you go
t.
I was all on the dance floor yah with a hand full little did I
know he [?]
I don't understand though what the heck you meant for.
Girl I don't like broke you can take the man home.
Bottomless on rocks hardly been on [?]
and when the party don't stop until were shut down by the cops
and even then we gonna take it to the house down the block.

They said hey girl do your thang do your thang do your thang
hey girl do your thang do your thang do your thang.
Now bring it back like that bring it back like that bring it ba
ck like that bring it back like that and bring it back like tha
t bring it back like that bring it back like that bring it back
like that

Umm... Excuse me now let me take the floor let me get the party
rockin like some bakin soda

uh uh name is Snow I'm lookin for the promoter that arranged the show.

I'm runnin up and down trying to chase my dough

I'm a do my do my thang you just pay me though take control cause I can't take no more

and whatever's in that bag was oregano and this parties way too crunk

and I just hope and he said I ain't too young 99 bottles and I just drank one but I'm 5 foot 2 now I'm drunk

They said hey girl do your thang do your thang do your thang

hey girl do your thang do your thang do your thang.

Now bring it back like that bring it back like that bring it back like that bring it back like that and bring it back like that bring it back like that bring it back like that
