

Hold me back

Snow Tha Product

I just walked in with a bankroll
Bitch I'm 'bout as high as faded
This the type of shit that dance Woke on
So I don't give a fuck about a skank ho
Everything you see a bitch payed for
Little mamacita 'bout the Pesos
All these fake bitches get yo hate on
All you get to sounding like I shot you with a potato

Any of you whores got something to say
Get off the internet and come say it to me, uh

Hold me back
Hold me back
Hold me back
Somebody better hold me back!

I came up from nothing and I see you bitches that still on that talk
Yeah, we both came from the same fucking place but you bitches just ain't never come up at all
Snowy up in it, I'm getting that guap
Fuck with me tough, I will buy you the mall
Hate on a player and you'll get by the pawn
Fuck you right over and [?]
Bitch it ain't nothing to me, I am killing the game
I'm a get money and you keep the fame
That's why these bitches is getting irate
Keep my name out your mouth, I will keep it the same
I'm a playa, bitch! Playa, bitch!
I am not rapping for minimum wage
So how in the fuck is a bitch with no job gonna give me two cents when I throw change away
I'm in a big body Benz and a driver from Cuba
All I know is the chips, it's Snowy-owy Chalula
Got a pound in the whip, look like I'm baking some food up
An inconspicuous girl, a pencil skirt with ruler

Any of you whores got something to say
Get off the internet and come say it to me, uh

Hold me back
Hold me back
Hold me back
Somebody better hold me back!

Look, her hair color is ombré, but she can't keep an hombre
She just twerk cause she like the beat
She don't give a fuck what the song say
Damn, you're naked on Instagram
But she don't model if it don't pay
Bro, that's what her friends' said
Damn, these bitches is so fake
I'm like, real bitches make noise, fake bitches gon' exit left
Real bitches got plans in life, you fake bitches just Etch-a-Sketch
It's real recognize real
I see your face, I don't recollect
I'm like, bitch you don't pay my bills

You [?]

Hold me back

Hold me back

Hold me back

Somebody better hold me back!

Any of you whores got something to say

Get off the internet and come say it to me, uh
