And I was like, "I do entertainment."  
He said, "Tight. You strip? You do anything extra for tips?  
Do you keep it strickly stripping' like these chicks?  
Would you like to pop it for profit and see chips?"  
I was like, "Woah! Oh no. I'm a rapper named Snow  
Even if I did strip, it ain't no joke  
I can get you prostitutes but you're gonna need to know  
That a stripper's a stripper, and a ho is a ho."
