

# Nope

## Snow Tha Product

Tell me whatcha talkin' 'bout, I'll tell you whatcha missin'  
I be sellin' product like I'm workin' on commission  
Ya'll can you say you ballin', but you thirsty and you stingy  
So as far as I'm concerned, yo ass a fuckin' contradiction  
Snowy independent, Snowy in my business  
I just tell em keep it moving like I'm teaching 'em some physics  
Bad little chick, you wanna put me in detention  
I got A-D-H-D, good luck keeping my attention  
I got digits in my calculator, dividends and bank accounts  
Broker like an aggregator, making money, making clout  
Write it up, break it down, checks in major paid amounts  
"Ding-ding-ding", like I'm winning, that the Vegas sound  
He called me up, saying he wanna talk a bit  
He wanna fuss, talkin' bout he saw me in...  
He talk too much, I just keep it moderate  
He mentioned us, us?! He got the fist

(Heard around you ballin') Yup, don't call me though  
(Money in your wallet) Yup, don't call me though  
(Like to go shopping) Yup, Don't call me though  
(Why you acting brand new, telling me "Don't call me?!")  
Cause I'mma be like "nope, nope, nope"  
I'mma be like "nope, nope, nope"  
Nope, no-no-no, nope  
I'mma be like "nope, nope, nope, nope"

RiFF RAFF picture perfect, Versace on the surface, I never shop at Me  
rvyn's  
It's a sterling chain, I don't rock that, Mercedes with the top back  
The way I'm shootin' jumps, you figured I play for the Bobcats  
Charlotte, my chain is sparkling and Neiman Marcus  
Is darker, I beg your pardon, that Aston Martin  
And you are on the bench, I still woulda made a starter  
I am not your father, I go ten times harder  
Further or farther, and when they jot down my stats  
They take notes, with Gucci markers  
Marvelous, stupendous, your Mazda suspension  
They pretend to not to notice that I pull up on suicide blades  
Pull up at Garth Brooks taper fade  
Jody Highroller the name, mind frame's not the same  
Round up cows, settled out west, I got a range

(Heard around you ballin') Yup, don't call me though  
(Money in your wallet) Yup, don't call me though  
(Like to go shopping) Yup, Don't call me though  
(Why you acting brand new, telling me "Don't call me?!")  
Cause I'mma be like "nope, nope, nope"  
I'mma be like "nope, nope, nope"  
Nope, no-no-no, nope  
I'mma be like "nope, nope, nope, nope"
