Let's Get Dead With The Living Dead

Snow White's Poison Bite

GO!

Trigger happy shotgun sinner Hanging from a rope I hope you chocke You're my target practice at the shooting rainge But I will not shoot my gun before I have a good aim Let's lock 'n' load! Let's shoot to kill! I'm a zombie killer and you know I will Take you to the cementary 'cause the morgue is filled Now I'm in the graveyard with the living dead I think I shot a bullet straight through her brains With automatic weapons you can never miss a headshot

Let's get dead with the living dead Yeah, let's get dead with the living dead now Your so dead and I'm so dead We're all so dead with the living dead

She's a dead corpse mortician killer Another body snaching graveyard digger Opperating in the morgue let's spill some blood Your guts are on the table and I love you When you're so dead Lock 'n' load! Let's shoot to kill! I'm a zombie killer and you know I will Take you to the cementary 'cause the morgue is filled Now I'm in the graveyard with the living dead I think I shot a bullet straight through her brains With automatic weapons you can never miss a headshot

Get dead with the living dead! Get dead with the living dead!

Oh! GET DEAD WITH THE LIVING DEAD! GET DEAD WITH THE LIVING DEAD! GET DEAD WITH THE LIVING DEAD! GET DEAD WITH THE LIVING DEAD!

Let's get dead with the living dead! Yeah, let's get dead with the living dead now Your so dead and I'm so dead We're all so dead with the living dead

The living dead is walking among us Thousands of rotting corpses Feeding from the flesh of the living

RUN!

Let's get dead with the living dead! Yeah, let's get dead with the living dead now Your so dead and I'm so dead We're all so dead with the living dead Let's get dead with the living dead! Yeah, let's get dead with the living dead now Your so dead and I'm so dead We're all so dead with the living dead

GO!

We all know you're dead!
