

# The Gruesome Horror Show

## Snow White's Poison Bite

Who said this isn't the best place to be?  
This is the greatest show on earth it's something all of you just must see  
Don't run for cover 'cause it's time to get it on  
Oh yeah, it's time get it on just when you thought I was gone  
So everybody check your clock the time has come it's been to long  
So much to say hope I'm not late  
'Cause I've been waiting for so long

Sent from the grave and far beyond  
I've been unearthed to sing this song for freaks and creeps who don't belong  
We won't back down  
We will stay strong  
We're disgraceful  
We're disgusting  
We're hated for so many things  
Gagged and mutilated 'cause they think that we're so different  
We're the strange!  
We're the strange!

We're the horror crew  
We're the horror crew  
And if you stand with us you will never loose

Let's go!, go!, go! to the horror show  
Let's go!, go! go! to the horror show  
Everybody's welcome to the gruesome gory horror show

First class tickets to the front seat row  
Tell your friends and tell the world let's make them know  
Everybody's welcome to the gruesome gory horror show
