

Act Like You're Listening, Till It's Your Turn To Talk

So They Say

Are you ashamed?
Bite your lip and see if you feel anything
I need you to hear what I have to say
It's because of you I cant be who I always wished to be
I don't want to tell the truth
But I've got to let you know
I can't think of any way better than this note
So I'll state the obvious and then I'll make a toast
To the times we shared and getting out alive
I have been dying to cut you off and set the story straight
I have been trying to leave a mark and hope to god it stays

I don't want to tell the truth
But I've got to let you know
I can't think of any way better than this note
So I'll state the obvious and then I'll make a toast
To the times we shared and getting out alive
