Forever Young

May the good Lord be with you Down every road you roam And may sunshine and happiness Surround you when you're far from home

And may you grow to be proud Dignified and true And do unto others As you'd have done to you

Be courageous and be brave And in my heart you'll always stay Forever Young

May good fortune be with you May your guiding light be strong Build a stairway to heaven With a prince or a vagabond

And may you never love in vain And in my heart you will remain Forever young, forever young And forever young And forever young

And when you finally fly away I'll be hoping that I served you well For all the wisdom of a lifetime No one can ever tell

But whatever road you choose I'm right behind you, win or lose Forever young, forever young Forever young

And forever young Forever young
