I don't want to love you, hold you,
I don't want to know what you're about.
I don't need your name, or number.
Just want to get in and get out.

She's a loaded gun,
With her sights on me,
There's no mystery.

She's a Jezzabell.
And it's plain to see,
She'll go easily.

I don't want to give in,
I know I'm going to.
She whispered in my ear,
She said, she said, she said,

I don't want to love you, hold you,
I don't want to know what you're about.
I don't need your name, or number.
Just want to get in and get out.

I'm only in this baby,
Just for tonight.
But I promise that I'll leave you,
I'll leave you satisfied.

She's played this game before,
I know I'm not the only one,
That she's hit and run.

And I'm a casualty,
Of that loaded gun,
She'll shoot anyone.

I don't want to give in,
I know I'm going to.
She whispered in my ear,
She said, she said, she said,

I don't want to love you, hold you,
I don't want to know what you're about.
I don't need your name, or number.
Just want to get in and get out.

I'm only in this baby,
Just for tonight,
But I promise that I'll leave you,
I'll leave you satisfied.
Ooooh...
I'll leave you satisfied.
Yeeeah.

From the way that she's dressed,
The words that she said,
I know she always gets exactly what she needs.

Oh baby, let's not pretend,
It's no accident,
I know you'll get exactly what you need out of me.

What you need out of me,

Oh, oh, ooooh.

I don't want to love you, hold you,
I don't want to know what you're about.
I don't need your name, or number.
Just want to get in and get out.

I'm only in this baby,
Just for tonight,
I'm only in this baby,
Just for now,
I'm only in this baby,
Just for tonight,
But I promise that I'll leave you,
I'll leave you satisfied,

Ooooh, yeeeah...

I'll leave you satisfied,

Ooh, yeah, I'll leave you satisfied!
But I promise that I'll leave you,
I'll leave you satisfied
