

Making Believe

Social Distortion

Making believe,
That you still love me.
It's leaving me
Alone and so blue.
I'll always dream, but I'll never own you.
Making believe,
Is all I can do.
I can't hold you close,
Darling when you're not near me.
You're somebody's love,
You'll never be mine.
Making believe,
I'll spend my lifetime
Loving you
And making believe.
