

Story of My Life

Social Distortion

1. High School seemed like such a blur
I didn't have much interest in sports or school election
and in class I dreamed all day
'bout a rock & roll weekend.

R: Life goes by so fast
you only wanna do whatcha think is right.
Close your eyes and its past.
Story of my life.

2. Well I went downtown to look for a job
I had no training no experience to speak of
and I looked at the holes in my jeans
and turned and headed back.

3. Well I went down to the old neighborhood
the faces had all changed nobody left to talk to
and the pool hall I loved as a kid
is now a 7/11.

4. Good times come and good times go.
I only wish the good times would last a little longer.
I was thinking of the good times we had
and why they had to end...

So I sit at the edge of my bed
I strum my guitar and I sing an outlaw love song.
Thinking of what your doing now
and when your coming back.
