Be A Man

Socialburn

When you crawl, do you crawl for me?
When you come, do you come for me?
You say you want someone whose devoted
You say you want someone whose not afraid to be strong
You say you want someone, someone not me.

Cause I don't know what it takes to be a man,
I'm doing all the things that you said,
Now I don't know what it takes to be me,
I don't know what it takes but I'll try,
Trying hard like the next guy,
All I know is I want to fall in love.

When you cry, do you cry for me?
When you fight, do you fight to be free?
Cause you say you want someone whose devoted,
You say you want someone whose not afraid to be strong
You say you want someone, someone not me.

Cause I don't know what it takes to be a man,
I'm doing all the things that you said,
Now I don't know what it takes to be me,
I don't know what it takes but I'll try,
Trying hard like the next guy,
All I know is I want to fall in love
I want to fall in love!

When you cry, don't cry for me,
Don't cry for me
Don't cry for me
Not me, no

Cause I don't know what it takes to be a man,
I'm doing all the things that you said,
Now I don't know what it takes to be me,
(No, I don't know what it takes to be a man!)

I don't know what it takes but I'll try,
Trying hard like the next guy,
All I know is I want to fall in love.
(I want to fall in love!)

I don't know but I'll try, I'll try, I'll try!
I want to fall in love.
