

# Living Without You

Socialburn

Today two months ago  
You thought that I would never know  
How you lied and tried to keep a secrets end so far from me  
But now I'm on to you  
Tell me what you think I should do  
Maybe we could sit for a while  
And I know you could still fake that smile

Well, I never meant to make you mad  
With all the things I never said

Well, I don't want to see you again  
And I don't want to be your friend  
I just want to live my life without you  
But you'll be back again  
And you'll wonder if we'll still be friends  
But I'm sorry  
I'm living without you

Today two months ago  
It's getting harder and harder to show  
Just how much it hurts aside for me to know you're still alive  
So what the hell did you want me to don't that I'm on to you  
What do you have to say for yourself  
Well, I hope you go to hell

Well, I never meant to make you mad  
With all the things I never said

Well, I don't want to see you again  
And I don't want to be your friend  
I just want to live my life without you  
But you'll be back again  
And you'll wonder if we'll still be friends  
But I'm sorry  
I'm living without you

I'm living without you

Well, I never meant to make you mad  
With all the things I never said

Well, I don't want to see you again  
And I don't want to be your friend  
I just want to live my life without you  
But you'll be back again  
And you'll wonder if we'll still be friends  
But I'm sorry  
I'm living

Well, I don't want to see you again  
And I don't want to be your friend  
I just want to live my life without you  
But you'll be back again  
And you'll wonder if we'll still be friends  
But I'm sorry  
I'm living without you
