

Addicted to Abstinence

Sodom

I'm just a prowling maverick
And detriment to health
Cutthroat competition
Desultory to myself
Scary vulgarism
Unfathomable cursed
Perpetuate my memories
Incombustible words

Addicted to abstinence

Protruberant intestines
Exhilerated sight
Notorious dinginess
Coming from behind
I put you to the sword
Gasp your vomit out
You'll never reach the shore
Defigured like a scrag
Scary vulgarism
Unfathomable cursed
Perpetuate my memories
Incombustible words

Gasp your vomit out
You'll never reach the shore
Defigured like a scrag
Scary vulgarism
Unfathomable cursed
Perpetuate my memories
Incombustible words
Heinous and destructive
Balanced on the edge
Rancerously cutting
He's dangerous and sledge
