

# Baptism of Fire

Sodom

Product of my breeding  
Inauspicious shapes  
Formed by depravity  
Abnegation of my past

Resigning, ireful  
Watching the depopulation  
Danger, impotence  
Envelope the world with fear  
Unnatural decay  
Disclose the human need  
Ptomaine, cremation  
Baptism of fire we'll not survive

Abject and spirited  
Getting excessive with results  
Dislike a normal life  
Excruciating waste away

Resigning, ireful  
Watching the depopulation  
Danger, impotence  
Envelope the world with fear  
Unnatural decay  
Disclose the human need  
Ptomaine, cremation  
Baptism of fire we'll not survive

Symptoms of pathogenia  
Depropotionate your body  
Incurable disfigurement  
Bones decompose alive

Resigning, ireful  
Watching the depopulation  
Danger, impotence  
Envelope the world with fear  
Unnatural decay  
Disclose the human need  
Ptomaine, cremation  
Baptism of fire we'll not survive

Return to biogenetics  
Turn over a new leaf  
To form a vicious circle  
Till end of time
