

Obsessed by Cruelty

Sodom

Delivered from the chains of subjection
Almighty his chivalry urge
Eriled in the cruelty's clutch
Strengthened in the belief in himself
Crowned with the charm of Salomo
Hallucinations and mysterious
Drift him into an inconceivable war

He gets stigmated in a holy war
Against apocalyptic might
Nails claws in his own breast
Eyes so black as night
A red-blazed aperture let see
The blood-filled beating heart

He is an impetuous thundered god
His revenge gets cruel
Hateful thought leads him
An almost intolerable sight

With a frightful weight
Demolish Christian stamped bodies
Their tears and blood of
Deception and insidiousness
Doze away to the ground
Smash of imperium of
uncontrolled religious expansion

Last furious warrior
Pursued by fire
Pack of hound behind him
Mankind's hopeless fear

OBSSESSED BY CRUELTY
Impalement for destroy
OBSSESSED BY CRUELTY
Deadly, cold and grey

After carnage is over grinded bones
Covered the endless battlefield
Broken is the residence
Triumph about innocents' boast him
Only unseen nocturnal things let remember
And you know who he is

He is an impetuous thundered god
Ashes to dust behind his ways
Urged by unveiled damnation
Mankind's hopeless fear

OBSSESSED BY CRUELTY
Impalement for destroy
OBSSESSED BY CRUELTY
Deadly, cold and grey
