

He punched the nails into my hands  
Infiltrating all the pain  
His hooded eyes alight  
Staring at me through endless times  
Slaughtered by the holy hand  
Fate is sealed and no escape  
Leave inhuman hell behind  
Blood spills on honest ground

Stigmatized  
Stigmatized  
Stigmatized  
Stigmatized

While you pray your life to keep  
Vindicated prophecies  
Awaking penitence inside  
Unfold what propaganda hides  
Deceitful deathlike silence  
Blood of patriots and tyrants  
Enchanted souls will never rest  
Riot with a horrific smell

Stigmatized  
Stigmatized  
Stigmatized  
Stigmatized

Obscenity  
Imperfection  
Accentuate  
My desperation  
Crucified  
On a virtual stake  
Bestialized  
Incurably infected

Stigmatized  
Stigmatized  
Stigmatized  
Stigmatized

Stigmatized  
Stigmatized  
Stigmatized  
Stigmatized
