## Say Hello, Wave Goodbye

Standin' at the door Of the Pink Flamingo Crying in the rain It was a kind of so so love And I'm gonna make sure It doesn't happen again

You and I had to be The standing joke of the year You were a run around A lost and found And not for me I feel

Take your hands Off me, please I don't belong to you, you see And take a look in my face For the last time I never knew you You never knew me Say hello, goodbye

Say hello and wave goodbye

We tried to make it work You in a cocktail skirt And me in a suit But it just wasn't me You're used to wearing less And now your life's a mess So insecure you seem

Well I put up with all the scenes And this is one scene That's goin' to be played my way

Take your hands Off me, please I don't belong to you, you say And take a look in my face For the last time I never knew you You never knew me Say hello, goodbye

Say hello and wave goodbye Say hello and wave goodbye

Under the deep red light I can see the make up sliding down Well hey little girl You will always make up So take off that Unbecoming frown

As for me well I'll find someone

Who's not going cheap In the sales A nice little house wife Who'll give me a steady life And not keep going off the rails Take your hands Off me, please I don't belong to you, you say And take a look in my face For the last time I never knew you You never knew me Say hello, goodbye Say hello and wave goodbye Say hello and wave goodbye Say hello and wave goodbye Wave goodbye Say hello and wave goodbye Say hello, wave goodbye Goodbye Say goodbye Say goodbye We were born before the wind Who were we to understand We were born before the wind Say goodbye Through the rain, hail, sleet and snow Say good bye And I'm trying, trying, trying To say goodbye Say goodbye Say goodbye Say goodbye In the wind and the rain my darling Say goodbye In the wind and the rain my darling
