

Carry Me Home

SOHN

Drop your weapons
Carry me home (2x)
Leave no defense
Carry me home (2x)
Let the waves wash over me
Carry me home (2x)
On the land or the sea
Carry me home (2x)

Close your eyes
Can you feel it ?
Can you feel the light Can you feel it?

Pick up all the pieces
Carry them home (2x)
Hold on and release us
Carry us home (2x)
(Close your eyes)
I will give it all to find you
(Can you feel it ?)
And carry you home (2x)
(Can you feel the light)

(Close your eyes)
It's easy to fade on, to fade on
To carry me home
(Can you feel it?)
To carry me home
(Can you feel the light)
