

Dead Wrong

SOHN

I know when it all began
Late tracks that you don't feel right coming down
I know it's a masterplan
This train, it don't leave twice

No, you know what I need
And you know what I need
Yeah, you know what I need
You know what I need
You know what I

I know when it all began
Late tracks that you don't feel right coming down
I know it's a master plan
This train, it don't leave twice

If it feels dead wrong
Then it probably is
If it feels dead wrong
Then it probably is
If it feels dead wrong
Then it probably is
Then it probably is
Then it probably is
Then it probably is
Then it probably is
Then it probably is
