

## Fool

SOHN

Crave is admitted to both  
Flows to the surface  
Don't be a fool  
Don't be a fool

Climb out the window again  
Slipped on the water  
Don't be a fool  
Don't be a fool

If only for justice  
If only for her  
Don't be a fool  
Don't be a fool

Give away that card  
And take all that I've got  
Don't let me wander  
Don't let me wander

If only for justice  
If only for her  
Don't be a fool  
Don't be a fool

Give away that card  
And take all that I've got  
Don't let me wander  
Don't let me wander
