

# The Chase

SOHN

You hang on every word I say  
Pulling every time I move  
You can't help it  
You suffocate to keep me warm  
'Cause you forget I need the cold  
You can't help it

(Feel so frosty, let me go)  
And it hurts to bad when you know it  
What can you do, love?  
When I run again chasing  
You know it, know it  
(Feel so frosty, let me go)  
It it's a game I call, I'll cheat it  
Just what can I do, love?  
It's a dance we both do and we know it  
We know it, we know it  
(No way down)

Know it, know it  
(No way down)  
Know it, know it  
(No way down)  
Know it, know it

Walking up the boat again  
Hidden back to keep it fair  
I can't help it  
Struggling to keep the calm  
Remember when to lose control  
I can't help it

(Feel so frosty, let me go)  
And it hurts so bad when I know it  
What can I do, love?  
When you run I give chase  
And you know it, know it  
(Feels so frosty, hurts me bad)  
If it's a game we call, then we'll cheat it  
Just what can we do, love?  
It's a dance we both do and we know it  
We know it, we know it  
Know it, know it  
Know it, know it  
(Long way down)  
Know it, know it  
(Long way down)

Yeah, it hurts so bad  
What can we do, love?  
When you run I give chase  
When you run I give chase

It's a game I call when  
(What can I do, love?)  
What can I do, love?
