SOiL

gone is all the hope it seems  
i store away all my worthless dreams  
it's breaking me

the sadness it falls down like rain  
there is nothing left but this pain  
it's pouring down on me

it's nothing new to say  
it's tearing at me

and i can't take this anymore  
and i can't erase this anymore  
i hear you crying  
i feel like dying

i want to travel back in time  
a place of happiness i find  
and bring it back to me

bottle up all the things I've learned  
light the pictures watch them burn  
and hold on to that dream

I'm tired of all the same  
my life is wasting

and i can't take this anymore  
and i can't erase this anymore  
i hear you crying  
i feel like dying

and i can't take this anymore  
and i can't erase this anymore  
i hear you crying  
i feel like dying  
(i feel like dying)  
(i feel like dying)

gone is all the hope it seems  
i store away my worthless dreams  
it's breaking me

gone is all the hope it seems  
i store away my worthless dreams  
it's breaking  
it's breaking

and i can't take this anymore  
and i can't erase this anymore  
i hear you crying  
i feel like dying

and i can't take this anymore  
and i can't erase this anymore  
i hear you crying  
i feel like dying

i can't take this  
i can't take this anymore  
i can't take this  
i can't take this anymore
