

## Cross My Heart

SOiL

Gut knotted, you don't care  
Mind rotting, through my stare  
you walk away  
lifeless feeling in my mind  
bloody hands seem so devine  
you think it'll go away

cross my heart, hope to die  
i lost my dream today  
i lost my dream today  
i lost my...  
cross my heart, hope to die  
pluck out my fucking eyes

I am broken everywhere  
Loveless bastard, I don't care  
I walk away  
Tell me something I don't know  
tell me how i need to grow  
emotions drain

cross my heart, hope to die  
i lost my dream today  
i lost my dream today  
i lost my...  
cross my heart, hope to die  
pluck out my fucking eyes

(dream today)  
YOU...you walked away  
YOU... never planned to stay  
YOU...you walk away, just get away, just stay away  
I said  
YOU...never plan to stay, just walk away, just stay away  
I swear

cross my heart hope to die  
cross my heart hope to....dear god my....  
guts knotted, showed no care  
Mind rotted through my stare  
you walked away  
Lifeless feeling everyday  
bloody hands were my decay  
you thought it'd go away

i lost my dream today  
i lost my dream today  
i lost my...  
cross my heart, hope to die  
pluck out my fucking eyes

i lost my dream today  
i lost my dream today  
i lost my...  
cross my heart, hope to die  
pluck out my fucking eyes  
eyes
