

## Hear Me

SOiL

Sad the eyes  
Distance is your best friend  
At night it comes  
Will they hear?

Being alone is what you want  
It's the only way that you feel safe inside  
The darkness that is me must try and heal

Please hear me  
The pain that i feel  
Happiness was nowhere to be found

Here I am  
You hear nothing that i said  
I showed the signs  
Please hear me

Being alone is what I want  
It's the only way that i feel safe inside  
The darkness that is me must try and heal

Please hear me  
The pain that I feel  
Happiness was nowhere to be found

Please hear me  
I scream out for help  
Have you even heard a word of mine
