

Remember

SOiL

When father time has closed my eyes
And I've said my final goodbyes
Out of sight when I'm out of your mind
Will you remember?

My time is all I had to give
Weighed down by the life that I live
Could you? Should you?
Would you remember?
Will I live again?

When father time has closed my eyes
And I've said my final goodbyes
Out of sight when I'm out of your mind
Will you remember?

Will you remember me?
Will you forget me?
Will you remember me?
Will you hear me?

My face painted with peace
My life embraced when you speak
Do you remember the child?
Boy? Man?

What's right is not what today brings
The sun rises but does not set
On our sweet memories
Now do you remember?

Will I live again?

When father time has closed my eyes
And I've said my final goodbyes
Out of sight when I'm out of your mind
Will you remember?

Will you remember me?
Will you forget me?
Will you remember me?
Will you hear me?

When this world knocked me down
I stood my ground for another round
Will you remember?

All the good times and every bad
And all the time between

My ears always listening
My soul inhaled when you breathe
Out of sight when I'm out of your mind
I will not leave you

I will remember you
I won't forget you

I will remember you
I won't, will you?

When father time has closed my eyes
And I've said my final goodbyes
Out of sight when I'm out of your mind
Will you remember?

Father time has closed my eyes
And I've said my final goodbyes
Out of sight when I'm out of your mind
Will you, will you

Will you remember me?
Will you forget me?
Will you remember me?
Will you hear me?

Will you remember me?
Will you forget me?
Will you remember me?
Don't you forget me
