

The Lesser Man

SOiL

Long is the road that I walk upon
Heavy is the load that I bear
Strong is the will that keeps me holding on
I won't be the lesser man

I won't be the one
The lesser man, the lesser man, the lesser
I won't be the one
The lesser man, the lesser man, the lesser man

Time is the price that you have to pay
Lonely is the burden that you may have
Brave is the one that keeps holding on
Keeping the faith the best I can

I won't be the one
The lesser man, the lesser man, the lesser
I won't be the one
The lesser man, the lesser man
This is where I make my stand
The lesser man, the lesser man
I won't be the one
The lesser man

Trying it harder and harder and do it you understand
I won't be, I won't be the lesser man
The lesser man

You see I'm trying it harder and harder and do it you understand
I won't be, I won't be the lesser man
The lesser man

Long is the road that I walk upon
Heavy is the load that I bear
Strong is my will it keeps me holding on
I won't be the lesser man

I won't
Be the
Lesser man, lesser man

I wont
Be the
Lesser man, the lesser man

I won't be the one
The lesser man, the lesser man, the lesser

I won't be the one
The lesser man, the lesser man

This is where i make my stand
The lesser man, the lesser man

I won't be the one
The lesser man, the lesser man, the lesser man
